CHICAGO--(BUSINESS WIRE)--Mar. 9, 2018-- Groupon today announced that the company has renewed the lease for its Groupon Goods fulfillment center located in Hebron, Ky. at 1081 Aviation Boulevard. The new lease is for five years and runs until 2023. The 330,000-square-foot building has served as the hub of Groupon's direct North America Goods business since 2013 and shipped more than 20 million units to customers in the United States and Canada.

"We're excited to continue to call Northern Kentucky home and look forward to building on the success of our recent record-setting holiday season," said Andrew Bowerman, vice president of logistics, Groupon Goods of North America. "Our Hebron facility, which is located within a one-day's drive or a 90-minute flight from two-thirds of the U.S. population, is a key piece of the broader Goods shipping and logistics network, which is made up of a number of third-party and drop ship sites around the country."
